Related to injury

Request temporary medical parking via Health Services

↓

I had that last semester but still need assistance

↓

Are you still injured, or has your injury turned into a permanent disabiltity?

STILL AN INJURY   **PERMAMENT DISABILITY**

↓

Return to Health Services

Related to disability

Physical disability

Are you approved for a state placard for accessible parking from the state the car is registered in? → **YES** → do you have the physical state placard?

NO

↓

Do you qualify for your car's state placard?

YES   **NO**

Request a placard via the state your car is registered in. See "Do you have the physical state placard?"

Accommodations process with DS

do you have the physical state placard?

YES   **NOT YET**

This is the highest parking support, and allows you to park almost anywhere on campus. Parking will give more info when you register your car.

Send DS confirmation of your placard approval, and DS can connect with Parking Office for a temporary approval

Other disability

Accommodations process with DS

Related to Title IX

Title IX Coordinator will reach out to Parking Office as is appropriate
